School Zone Speed Limits Being Strictly Enforced

The Commerce City Police Department, School District 14 and School District 27 would like to remind all motorists school is back in session and to use caution and slow down in the school zones.

Officers will be increasing patrols around schools to ensure that motorists are adhering to posted speed limits. Motorists caught speeding in the school zones can and usually do receive a traffic citation. The minimum fine for a first time offense of "Speeding in a School Zone" is \$208.00.

School Zone times vary by school so motorists should be aware of the posted speed limit.

Please help us keep our children safe and slow down when driving through School Zones.
